Hello, and welcome to our new look Eden Gate eNewsletter. This is our way of keeping you up-to-date with news and upcoming events as well as project updates. Our last newsletter was back in June and it's been a busy couple of months.

We have been busy improving the way we connect with you, our friends and supporters as well as looking at our Strategy, how to take the organisation forward in its mission of reaching out to the lost and needy of Newport. It is an exciting time for the organisation as we go through a period of growth and development.

Recently, we have seen expressions of Faith during our First Contact sessions and we are currently supporting 2 people through the application process to access Christian Rehabilitation with Teen Challenge UK. I have been busy speaking at various events and presentations raising the profile of the charity and our projects, including Newport Nightshelter. It's all been really positive.

We were busy in local schools at the end of term time educating young people on the dangers of drugs/alcohol and homelessness. Eden Gate staff spoke in 4 Schools in Newport and Caerphilly areas. This was a partnership with South Wales police and multiple support agencies around the area. Gareth and I both shared our own personal struggles to engage with young people of 15 years old. If you would like us to come and speak to young people about the dangers of drugs and alcohol abuse please get in touch.

We want to say a huge thank you to you, our friends and supporters for your continued prayers and support. We can't achieve our goals without you. If you are able, and would like to support us financially please click this [link](#) to donate via PayPal. Alternatively
