

Street Contact

I am excited to introduce a new project that aims to reach out to those who are at risk of becoming, or are trapped in the cycle of addiction. Using an exhibition trailer to go into challenged communities in Newport, Street Contact will be manned by volunteers sourced from local churches who have a passion to see lives changed by the power of the Gospel message. Street Contact will be starting this summer and I am keen to hear from people with an interest in youth / youth offending, prostitution, addiction and mental health to volunteer with this outreach project. The trustees of Eden Gate fully support this vision and I have successfully secured the resources to make the vision a reality. If you are interested in being part of this pioneering ministry please contact Marc Hepton on 01633243235 or marc.hepton@edengate.org.uk.
